We'll meet in the lobby of the LA Athletic Club, and I'll take us up to their lounge.

Nick, yes, I would be happy to meet. Dale Odano can schedule a time. I will be at a meeting downtown on Wednesday, so perhaps immediately before or after would work. Randy

Randy,

As per Tom Sales' note below, he's supportive and says you're the key person for us to be working with, so let's go ahead and set up a meeting for you, me and Jessica to discuss in more detail.

I'm available next Mon-Wed, out of town Thurs-Fri – back and available the following week. I'm copying Shawn Bratton who can help with Jessica's schedule.

Thanks.

Nick

Jessica,

Got it. Looks very interesting. Not sure what I can do other than support the idea. Randy is the right person to continue working with. I would think among your list of potential USC partners Dean Knott and Price would be the most important. Let me know how I can help.
